

# NACC PERSONAL SUPPORT WORKER DE 2022

Epic College of Technology is offering an in demand program designed by the National Association of Career Colleges (NACC). This program prepares students to cater personal support worker services to individuals at homes, long-term care centers, retirement homes, rehab centers, and other health care facilities. Students will also study methods to safely care for the different clients who may experience emotional, physical or behavior challenges. Upon completing the practicum, students will gain experience in the field of health care that will help them to build their future careers.

The NACC PSW DE program offers the students quality education and training by highly experienced professionals. The NACC PSW DE Program will teach students the content and the skill competencies that are required to become an efficient Personal Support Worker. This program is hybrid, with theory delivered online. Practical training will be included and completed in Ontario.
