

NACC PERSONAL SUPPORT WORKER BRIDGING 2022

The Personal Support Worker Bridging program is an intensive training program designed for individuals with prior health care education or foreign training. This course upgrades existing skills to meet Ontario standards, preparing graduates to deliver compassionate, client-centered care across long-term care homes, retirement residences, hospitals, and community healthcare settings

Students study specialized methods to safely care for clients with physical, cognitive, or emotional challenges and gain hands-on clinical and community practicum experience.

ADMISSION REQUIREMENT

- Academic Baseline: Canadian High School Diploma (OSSD/GED)
